01-1444-68 (7 page original, handwritten)  (B)	<p>(U) Mission of the VC in MR 5.</p> <p>A Political training lesson, undated, prepared by an U/I agency for <u>VC</u> combatants and squad and platoon cadre, was entitled, "FULLY UNDERSTAND THE NEW SITUATION AND RESOLUTELY CARRY OUT THE STRATEGIC POLICY OF THE PARTY IN THE TIME TO COME".</p> <p>The first part of the lesson is an assessment of the situation during the past two years, in which it is pointed out that due to repeated failures, the enemy <u>FVMAF/RVNAF</u> has been driven to the "strategic" defensive and is "on the brink of collapse". The pacification program of the puppet <u>RVN</u> government and army proved to be a complete failure, resulting in a very rapid deterioration of troops' morale. The political platform of the <u>NFLSVN</u> caused consternation among the puppet administration and army. The morale of both US and Korean troops was so low that they dare not engage friendly <u>VC</u> troops. During the period Jan-Aug 67, friendly troops inflicted the following losses on the enemy: 100,000 casualties, one half of which were US and Korean personnel, 1,200 aircraft downed and destroyed, and 3,740 weapons captured. The war of aggression in Vietnam waged by the US Government consumed a considerable amount of human lives and money, causing the anti-war movement in the United States of America to grow stronger. In addition, the US Government was faced with a critical shortage of funds, war equipment and military personnel.</p> <p>The second and last part of document outlines the missions of the VC in MR 5/ as follows, "Our present mission is to motivate all party members, all military personnel and all the people to make extraordinary efforts with a view to stepping up both military and political (military and enemy proselyting) struggles to baffle the enemy in his schemes, and to be strongly determined to carry out the offensive and uprising program in the entire Region in the time to come". The motto for this phase of activity is, "Everything for the front line, everything for victory needed to gain power for the people".</p>	<p>11 Dec 67 BS926378 2/8 Cav, 1/1st US Air Cav Div Received CDEC: 8 Jan. 68</p>
